

# RAVENOL Petrol Octane Booster

**Kategorie:** Additives

**Artikelnummer:** 1390204

**Application:** Passenger car, Motorcycle, Marine

**0.3L | 1390204-300**

**RAVENOL Petrol Octane Booster** is an environmentally-friendly additive to increase the octane rating by 3-8 points for low-grade or insufficient fuel quality.

**RAVENOL Petrol Octane Booster** prevents engine noise such as ringing, banging or retarded engine ignition.

**RAVENOL Petrol Octane Booster** improves handling performance in peak ranges.

## Application Note

**RAVENOL Petrol Octane Booster** is added to the petrol.

Area of application:

Petrol-operated engines

Low-grade fuel

For performance enhancement

Application: Pour the contents of the container into the full tank. The ideal dosage is a can of **RAVENOL Petrol Octane Booster** per 40 litres of petrol.

**RAVENOL Petrol Octane Booster** prevents wear and tear on valve seats and discharge valves and in doing so, increases the service life of the entire fuel system

## Characteristics

- Increased octane rating by at least three points? Improved
- Improved engine performance
- Protection against wear and tear on valve seats and discharge valves

## Technical Product Data
